About Me

I have always loved data since I was young and have a passion for football. I tend to use my skills and passion to find the weak point and strengthen it for your club.

Driven by a lifelong passion for football and a strong analytical mind, I leverage my data skills to identify areas for improvement and implement strategies to optimize your club's performance.

Portfolio

- [GitHub Portfolio](#) / WordPress
- Spreadsheets
- SQL Databases (Replit, R Connect database)
- Dashboard
